Auctioneers Report

A Warm Welcome to Auction 61

This Auction is our first Auction for 2005 and we welcome past and new clients. This year is going to be an exciting year for our industry, with stock shortages, soaring prices, new hoards discovered, we have some very exciting events planned.

Most of you will be aware of changes which are going to occur with superannuation allowing individuals to control their own superannuation fund. This will mean even more banknote investors. Two main reasons why banknotes have risen so sharply is because of superannuation funds buying them realizing their amazing past performances over the last 20 years and Ebay opening up the world to people who were too remote to get to shops and auctions.

This auction has an incredible array of banknotes which we believe is one of the best all round selection offered for sometime. One of the highlights is an amazing hoard of Collins/Allen and Cerutti/ Collins notes discovered in an old safe, together with a great mixture of low, medium and high grade other notes. There is no doubt some record prices will be achieved here and with a lot of these notes going into Superannuation funds, today's prices don't really matter. Regarding pricing, we feel it necessary to inform our client of some discrepancies. Please see our information on banknote pricing just before the start of the Predecimal notes listing. Here is your opportunity to buy some great items, don't miss out.

The auction is being held at The Hotel Grand Chancellor, 23 Leichardt Street, (cnr. Wickham Tce) Brisbane. Viewing will be on Saturday 5th February 2005 (10.00 am – 1.45 pm) prior to the Auction commencing. The Auction will start at 2.00 noon sharp.

We look forward to catching up with you at the Auction. Interstate clients or country clients who have any concerns please do not hesitate to contact us and we will do our best to help you. For postal bidders please let us know if we can be of further assistance and it would be appreciated if you could forward bids early. Good Luck.

Regards
Bob & Jacquie

P.S. Note to our Western Australian clients (Sandgrovers) that we will be attending the ANDA show in Perth on 12th & 13th February at the Birswood Casino and would love to see you. Should you have any items you wish to discuss selling or consigning for Auction please contact us. Mobile 041 218 4095

Banknote pricing

Two new price books have been released recently, which are great for the industry and to help novices learn more.

However regarding pricing they are only a guide, for lower grade items, common items they often sell for less than catalogue, this is due to dealers' specials, competition and old stock.

However for higher quality, scarcer items the prices are fairly accurate. But for rare, seldom seen and uncirculated banknotes the prices are incorrect and in some cases, guessing is the only way, with auctions they tend to set the prices, because five or six people might have been waiting for the same item to come up for some time and no one really knows the price. You decide what it is really worth, how much you really want it, because the next time it comes up you could be paying a lot more.

Estimates included in this catalogue are intended as a guide only. Lots may sell higher or lower. For most regular items the estimate is based on the current market value. However, for rare, unique and unusual items and bulk lots, the estimate serves only as an educated guess and require higher bids. **Bids of less than 75% of estimate will not be accepted.**

Viewing Times

All lots are available for viewing at **THE Hotel Grand Chancellor - 23 Leichhardt St (Cnr Wickham Tce) Brisbane**

VIEWING

Saturday 5th September (10.00 am – 1.45pm) Prior to Auction

AUCTION STARTS AT 2.00 pm SHARP (No viewing once auction has commenced)

Collection and Payment

Lots **Must** be collected on the day. (unless Postal Bid)

No lots are to be collected until payment has been made. Payment may be made by bank cheque, personal cheques are ACCEPTED although there will be limits unless known to us. Cheques for large amounts will need to be cleared. **Visa, Mastercard, Bankcard** are accepted, however a **fee of 3% will be added to your invoice**. Postal bidders will be invoiced and payment will be required **immediately** thank you.

Room bidders **must** pay for and collect lots on day of auction. (**A late service fee of \$10** will apply to bidders who have not collected in this time.) Lots stated to contain collections and or undescribed items must be taken with all faults and errors (if any) and by reason of the foregoing the purchaser of any such lot shall have no right to reject same. **Any discrepancy to be advised immediately.**

Ownership of Goods

Ownership of lots shall not pass until payment in full of the purchase price, in the case of personal cheques accepted by the auctioneer, until clearance of same.

The Purchaser

The highest bidder shall be the purchaser. The auctioneer shall be the sole judge of who was the highest bidder.

All lots are put up for sale subject to any reserve price that may be imposed by the seller. The seller shall be entitled to bid personally or through any other person (who may be the auctioneer) and to withdraw any lot or lots either personally or through the auctioneer. Buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. The auctioneer cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from the premises.

In the event of any dispute between bidders for a lot, the auctioneer shall have absolute discretion to settle the dispute or (whether or not the lot has been knocked down as sold) to resubmit to lot for sale by auction at the sale in progress or as soon as practicable thereafter.

Any lots that have been **viewed are non-returnable**. Postal bidders who have a dispute regarding a lot **must advise Roxbury's on receipt** of lots. ***** Absolutely No returns after 21 days of auction as vendors have been paid out by this time.**

Auctioneer Bidding

The auctioneer may bid for the vendor or for any prospective purchaser and any such bid:

- (i) need not be expressed to be effective, and
- (ii) if the highest bid to which a lot is knocked down shall be sufficiently evidenced if recorded in the sale book. If so required, buyers are to give their names and addresses and/or to pay down the whole or part of the purchase price at the end of the sale.

Failure to comply with these rules in respect of any lot entitles the auctioneer to re-sell the lot.

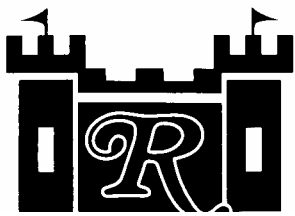

Agents bidding on behalf of undisclosed clients do so on their responsibility both for payment and safe delivery of the lots. The auctioneer shall not be liable for any default of the purchaser or the vendor. Bids from minors will not be accepted unless accompanied by a full cash deposit or by suitable guarantees. Each lot is sold as genuine unless otherwise described.

The Auctioneer reserves the right to admit individuals to view or entry into the Auction Room and to refuse bids from same, for reasons not to be disclosed.

Items described as having defects are not returnable on account of their condition. Items graded are purely the opinion of the describer and may not necessarily be the opinion of others. Disputes arising to be settled at the auctioneer's discretion.

Any dispute as to the meaning or operation of these conditions, a synopsis of which is printed above, shall be determined conclusively by the auctioneer.

2. **All lots from Room Bidders MUST be collected by Wednesday 9th February 2005.** The auctioneer will increment bids by a certain amount depending on the estimated value of the lot. The following table outlines the increment amounts.

Estimated value of lot	Increment per bid at auction
\$10 to \$95	\$5

\$5100 and up	\$100

Advice to Postal Bidders

1. Return your commission forms as **soon as possible**, as bids are recorded in **the order that they are received**. When two bids are received for the same amount, the bidder whose commissions arrived first is the buyer, subject of course to bids from the floor.
2. If you are late with your bids you may: **Phone:** (07) 3831 2599 **Mobile:** 0412184095
Fax: (07) 3831 2722 **Email** roxburys@powerup.com.au
By 6.00pm the day BEFORE the Auction. (Otherwise bids can not be guaranteed to be processed.)

Please note: We do not accept responsibility for mistakes made through receiving a bid over the telephone. We do not accept responsibility for mistakes made as a result of poor or illegible handwriting. Please write in block letters. While we do our best no responsibility is taken for late bids phoned or faxed on day of auction.
3. All commissions to be handled in strict confidence.
4. It is important to realise that the bids given are an indication of the maximum figure that the bidder is willing to pay for the corresponding lots. The lot is made available to the bidder at the lowest successful price possible.
5. We will handle bids for customers who are interested in a number of lots but only wish to spend a limited amount of money. Mark your bids in the usual way and then clearly state the maximum amount you wish to spend.* Please limit number of choices to a **reasonable** range in order for us to be able to process.
6. If you wish to bid on a choice of two items, clearly mark the commission form "eitheror...".
7. Successful bidders will be sent an invoice immediately following the auction and settlement must be made upon invoice.
8. All bids are to be in **whole dollars** only.
9. Please make sure your form is **Signed** and **Payment** and **Postage** details are specified (**otherwise bids not accepted**)
10. Overseas bidders please note: Standard air or insured mail is available. Insurance can be very expensive.
